## M. S. Hubble Passes to Great Beyond.

M. S. Hubble, the well-known Eugene drayman, after an eight-months' illness of tuberculosis of the spine, died at his home on Olive street between West Fifth and West Sixth, this morning at 1 o'clock. The funeral will be held at the residence Friday afternoon at 3 o'clock, the services to be conducted by Rev. O. C. Wright, pastor of the Baptist church. The Eagles will have charge of the services at the grave in the I. O. O. F. cemetery.

Monroe Smith Hubble was born at Stanford, Lincoln county, Ky., Dec. 30, 1858. He was united in marriage on his 21st birthday, Dec. 30, 1879, to Miss Emma Moss, of Winchester, Ill. From this union five children were born. They moved to Eugene in 1888 and had been here only nine months when Mrs. Hubble and two sons were drowned in the Willamette river near this city. On June 24, 1893, Mr. Hubble was united in marriage to Miss Minnie Farrow, of Eugene, who survives him with his daughters, Mrs. Arthur Merrill, of Speer, Ill., Miss Cecil Hubble and Mrs. James Grant, of Portland.

Deceased was a man of genial disposition and had hosts of friends. He was in the transfer business here for several years until he was taken sick eight months ago, and from that time was never able to work. He underwent three surgical operations during his illness and spent several months in St. Vincent's hospital at Portland, being brought home only a short time ago. He was a member of Eugene Aerie No. 275, Fraternal Order of Eagles, and the Sons of Veterans.—Eugene, Oregon, Guard. Mr. Hubble was a son of the late M. P. Hubble, of this county, and brother of Mrs. C. C. Terry, of the Green river section.

## WAYNESBURG.

The Waynesburg Deposit Bank is almost completed.

A large crowd attended the Sunday school convention here Sunday.

J. M. Reynolds has plenty of seed wheat and winter oats for sale.

Politics is all the talk here now. Everybody thinks Bryan will be our next president.

A good rain fell here Monday week, which was much needed as dust was almost ankle deep.

Charlie D. Reynolds, of Ohio, is here with relatives. On account of ill health R. D. Padgett has broken up house-keeping and gone to Kingsville to live with Mr. and Mrs. Daniel Hester. Rev. M. G. Tifford, of Middleburg, attended the Sunday school convention.

Our noted horseman, Tully B. Caldwell, has the finest horses ever seen in this end of the county. Among them are his fine three-year-old stallion, King Eagle, Jr., by S. T. Harris' King Eagle, and Queen Eagle, a two-year-old filly and a great saddle. He can be seen most any time riding through our little village at full speed with a long smile on his face. Tully is a mighty good boy, a dear lover of horses and a splendid rider.

The wholesome, harmless green leaves and tender stems of a lung healing mountainous shrub, give to Dr. Shoop's Cough Remedy its curative properties. Tickling or dry bronchial coughs quickly and safely yield to this highly effective Cough medicine. Dr. Shoop assures mothers that they can with safety give it to even very young babies. No opium, no chloroform—absolutely nothing harsh or harmful. It calms the distressing coughs, and heals the sensitive membranes. Accept no other. Demand Dr. Shoop's. Sold by Penny's Drug Store.

## Would Mortgage the Farm.

A Farmer on Rural Route 2, Empire, Ga., W. A. Floyd by name, says: "Hicklen's Arnica Salve cured the two worst sores I ever saw: one on my hand and one on my leg. It is worth more than its weight in gold. I would not be without it if I had to mortgage the farm to get it." Only 25c. at Penny's Drug Store.

Some one dropped a lighted match on the farm of Mrs. W. S. Potts in Nicholas county, which, because of the extreme drought, immediately ignited the grass. Before the fire could be extinguished several acres had been over, and much fencing destroyed.

To quickly check a cold, druggists are dispensing everywhere, a clever Candy Cold Cure Tablet called Preventives. Preventives are also fine for feverish children. Take Preventives at the sneeze stage, to head off all colds. Box of 48—25c. Penny's Drug Store.

Italy during the next 16 years will spend \$107,000,000 to construct 992 miles of new railroads as well as to improve existing roads.

## IN NEIGHBORING COUNTIES.

John V. Phelps' house near Poplar Hill, Casey county, burned.

Ephraim Wait, a Somerset Negro, shot his wife and killed himself.

E. Burns, charged with forgery, was given four years by a Boyle county jury.

Raymond Davis, the 20-year-old son of Mrs. Hester Davis, of Nicholasville, shot and seriously wounded her. He claims the shooting was accidental.

The jury in the case of Thomas and Samuel Wheat, for killing Rolla Davis at a base ball game at Perryville, hung. They were held over to the next term of the Boyle circuit court in \$1,000 each.

Frank P. James, State Auditor, has announced his intention of preparing a detailed statement, charging county officers in Kentucky with grafting. The Auditor charges that one County Judge drew money for the support of a pauper idiot for 18 months after the idiot died.

The \$12,000 residence of Judge S. B. Dishman, at Barbourville, one of the handsomest in Southeastern Kentucky, was destroyed by fire. The flames had made but little headway when discovered and the building might easily have been saved, but the lack of water handicapped the firemen.

J. H. Neff, one of the best known business men of Richmond, while driving home was thrown from his buggy when his horse became frightened and ran away, injuring him so severely that death resulted a few hours later. Mr. Neff was about 60 years of age, had been in the poultry business there for many years and was widely known throughout the country.

## Chairman Mack Predicts Success.

Norman E. Mack, chairman of the Democratic National Committee, has made known the reasons upon which he bases his prediction that New York State may safely be regarded as Democratic this year, and they are as follows:

"The Democratic party in New York was never more united, not even in 1902, than it is this year. The State is never doubtful when the Democrats stand together. With a united party we find our opponents all 'shot to pieces.'"

"Some Republicans are opposing Roosevelt, others are against Hughes, while another faction is set against Taft. As an instance of the union of the Democratic forces, the National Democratic Club, of New York City, composed of 1,400 members, made up of bankers, merchants and professional men, opposed Bryan almost to a man in 1906 and 1900."

"I am told that 95 per cent. of the club membership is ready to support Bryan this year, and that the club recently passed resolutions endorsing him and has contributed \$2,500 with promise to contribute a like amount later. With this situation I feel that New York is not only safe for Bryan, but there will be a Democratic landslide."

## MIDDLEBURG.

The fiscal court is in session at Liberty and several of our citizens are in attendance.

There are three cases of scarlet fever here and two at Yosemite. The school has been closed and considerable excitement prevails.

A difficulty arose on Doe Creek Tuesday between Bob Wells and Jss. Winkle, in which knives and other weapons were drawn, though none of them were used.

The vote on the graded school question at the close of the election here Saturday stood 87 for to 41 against the tax. Those who opposed the tax threw up the sponge at an early hour and went home, leaving it easy sailing for the advocates of the school. Q. R. Jones, W. P. Wesley, Coleman Luster, Jason Coffey and Dr. J. T. Wesley were elected trustees and it is presumed that an organization will be effected at once. There is much ill feeling among the Indian Creek people over the result of the vote, and it can not be denied that those people have cause for grievance. It is unfortunate for them that they should be cut off from school, but we have confidence in the ability and fairness of Supt. J. S. Lawhorn and feel sure the trouble will be amicably adjusted.

Stomach troubles would more quickly disappear if the idea of treating the cause, rather than the effect, would come into practice. A tiny, inside, hidden nerve, says Dr. Shoop, governs and gives strength to the stomach. A branch also goes to the heart, and one to the kidneys. When these "inside nerves" fall, then the organs must falter. Dr. Shoop's Restorative is directed specifically to these failing nerves. Within 48 hours after starting the Restorative treatment patients say they realize a gain. Sold by Penny's Drug Store.

Denmark has the highest suicide rate.

### Our New Concrete Fire Proof Bank Building.

We wish to call the public's attention to the fact that our New Concrete Fire Proof Bank Building is now completed and that we are now permanently located in same.

We needed better accommodations for our business and as we are amply able to pay for the building, we saw no good reason why we should not build it. Besides we think nothing too good for our friends, who by their generous patronage have made it possible to put up for their use so fine a structure; built solidly for all time, typical of our banking institution which is built as solidly and on as enduring a foundation.

This Bank studies the needs of its customers and properly takes care of them, whether their business is large or small; no business too large for us to handle and none too small to receive our closest attention.

We have the Modern Screw Door Burglar Proof Safe and our depositors are doubly secured by Bank Burglar Insurance; also our officers are bonded.

Corn cutting is being vigorously pushed, while wheat sowing is delayed by continued drought. The corn cutting has disclosed a much better crop than had been reckoned in this locality.

ESTRAY.—A good, fat, black, muly cow, weighing between 1,000 to 1,100 pounds left my place Wednesday. Information leading to her recovery paid for. R. A. Lipps, Hustonville.

Charles Piles and family, of Dunnville, will move to their splendid home known as the Dave Johnson place, on the McKinney pike about Nov. 1st. We welcome these good people to our midst and wish them abundant success in their new home, "Violet Slope."

Mr. P. B. Smalley, of Harrodsburg, was the guest of one of Lincoln county's fair maidens last week. Miss Jennie McFarland, of Columbia, is the guest of Miss Florence Epperson. Rev. R. L. Creel, pastor of the Baptist church here, resigned Sunday and left Wednesday to accept a call at Taps, Wyo.

People in Hustonville are beginning to sit up and take notice of the improved condition in our rural and star route mails, caused by the new schedule that went into effect Sept. 15. In several instances letters from this place as well as Liberty were received in Cincinnati and Louisville the day after they were mailed.

On last Saturday evening some 25 of their friends gathered at the country home of Mr. and Mrs. Frank North and enjoyed to the fullest the genuine hospitality characteristic of this couple.

The event was complimentary to their guest, Mrs. Wm. Stodghill, of Chicago. Early in the evening games of various kinds were enjoyed and true mirth was never more in evidence. A word contest created much interest. The first prize was awarded Mrs. Wm. Riffe, while Miss Lora Bohon followed a close second. Later in the evening various delicacies were served, and when the parting hour came all seemed loath to leave. Among those present were Mrs. Wm. Stodghill, of Chicago, Misses Sue, Annie, Fannie and Mary North, Lora Bohon, Jessie Powell and Messrs. Sam McKinney, Smith Powell, and Horace Bohon, Mr. and Mrs. Grant North, Mr. and Mrs. Nathan Pipes, Mr. and Mrs. John Lynn, Mr. and Mrs. McKee Riffe, Mr. and Mrs. Ed Powell, Mr. and Mrs. Wm. Riffe, Masters Charles Pipes and Stuart Lynn and little Miss Margaret Powell.

## Had a Close Call.

Mrs. Ada L. Croom, the widely known proprietor of the Croom Hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at Penny's Drug Store. 50c. and \$1. Trial bottle free.

Judge Ellis, in the Georgia Superior Court, denied the application of E. H. Carroll and 114 other near-beer manufacturers, dealers and agents for an injunction restraining the levy of a special tax provided for by the recent session of the Legislature. The dealers sought to enjoin the collection of the tax of \$500 imposed on the manufacturers, and \$200 imposed on the retailers of near-beer on the ground that the act was unconstitutional.

## A Healthy Family.

"Our whole family has enjoyed good health since we began using Dr. King's New Life Pills, three years ago," says L. A. Bartlet, of Rural Route 1, Guilford, Maine. They cleanse and tone the system in a gentle way that does you good. 25c. at Penny's Drug Store.

## BANK.

### Our New Concrete Fire Proof Bank Building.

We wish to call the public's attention to the fact that our New Concrete Fire Proof Bank Building is now completed and that we are now permanently located in same.

We needed better accommodations for our business and as we are amply able to pay for the building, we saw no good reason why we should not build it. Besides we think nothing too good for our friends, who by their generous patronage have made it possible to put up for their use so fine a structure; built solidly for all time, typical of our banking institution which is built as solidly and on as enduring a foundation.

This Bank studies the needs of its customers and properly takes care of them, whether their business is large or small; no business too large for us to handle and none too small to receive our closest attention.

We have the Modern Screw Door Burglar Proof Safe and our depositors are doubly secured by Bank Burglar Insurance; also our officers are bonded.

A cordial welcome awaits you at

## DEMOCRATIC TICKET.

### For President

William Jennings Bryan,

### For Vice President,

John Worth Kern,

### For Congress

HARVEY HELM

of Lincoln county.

### For County Judge,

John Sam Owsley, Jr.

### For Jailor,

ROBERT H. COFFEY

For Magistrate,

JAMES M'KECHNIE

Which, an assemblage of gentlemen, or a band of ruffians? About two weeks ago W. E. Smith, a student in the State University, at Lexington, disappeared, and has not since been heard of. The actions of the students induces the belief that he has met with violence at the hands of the student body. Threats from an unknown source have been received by those who have attempted to unravel the mystery of his disappearance, to identify those responsible for it and ascertain how and where the young man or his dead body has been disposed of. It is even stated in the public prints that the young man's brother is in danger of vengeful violence from the students because of his efforts to discover his brother and the men responsible for his disappearance. If this is the character of that student body it should be dispersed with the State militia and made to stretch the hangman's noose. If our State University engenders or countenances such men or such spirit, then the torch of refining fire should be applied to its walls, its very foundations erased and its campus restored to blue grass pasture and to rolling woodlands.

The election is less than four weeks off and while not a great deal of work has been done in Lincoln county the prospects are most flattering for the democrats. We confidently believe that Bryan, Helm, Owsley and Coffey will carry the county by from 250 to 500. There is absolutely no opposition to the splendid ticket the democrats have nominated, and headed by the matchless Bryan, it can not fail to win. There are no factions in the democratic ranks and nothing to prevent a democratic landslide. Do your duty and old Lincoln will roll up the best majority in years. This is democratic year and the democrats are going to win.

WHEN the banks let any money go they require gilt-edged security, personal or collateral. The depositor is entitled to the same protection. The Democratic proposition is that national and State banks shall be required by Federal and State legislation to pay a certain small percentage on the amount of their deposits to constitute a guarantee fund for making good any default to depositors through bank failures. It is a system of compulsory insurance, not a Government guarantee.

CALEB POWERS is one of the heavy weight orators in the republican campaign this year. He is billed to appear at Harboursville, his home town, on Oct. 31, and the assassination sympathizers will be on hand world without end. It would redound to the benefit of democracy if Caleb would speak at every precinct in Kentucky.

THE Democratic National Committee is planning to make a vigorous campaign in Ohio and Indiana and within the next two weeks will send a large number of speakers of national prominence into these States. Dates for Mr. Bryan will be arranged in a few days.

Good morning. Have you guessed on Bryan and Kern's majority in Lincoln county?

The registration all over Kentucky is satisfactory to democrats and everything points to the best State in the bunch giving a rousing democratic majority.

## POLITICAL.

Dr. Charles E. Latimer, of New York, bequeathed \$50,000 to the prohibition party.

B. M. Arnett, of Nicholasville, has announced for the democratic nomination for State Senator.

William J. Bryan gave out a statement denying reports that in editorials and speeches he had opposed a liberal pension policy.

Chairman Mack, of the Democratic National Committee, who arrived in Chicago, declared that the tide was strong for Bryan in the East.

John W. Kern, the Democratic nominee for Vice President, addressed a large crowd at Asheville, N. C. James Hamilton Lewis, of Chicago, also spoke.

William J. Bryan delivered a number of addresses in Iowa towns. Mr. Bryan was greeted by large crowds and his speeches were said to have been delivered with exceptional vigor.

Gov. A. E. Willson spoke to a large audience at Hopkinsville. The Governor devoted himself largely to the night rider situation and declared that the lawless bands were being broken up.

Democratic speakers were on the stump in many counties of the State. In every instance good crowds listened to the speeches and great enthusiasm for the national Democratic ticket was shown.

The race between Judge H. C. Faulkner, present judge, and L. D. Lewis, for the republican nomination for circuit judge in the London district, is waxing warm. A primary will be held Dec. 5.

In a speech at Lexington Senator-elect W. O. Bradley said that President Roosevelt did wrong in the Brownsville case, but that Secretary of War Taft was in no way responsible for what the President did.

John F. Howes has withdrawn from the race for Judge of the Court of Appeals in the Sixth judicial district, and Judge E. C. O'Rear will be re-elected without opposition.

Congressman Nicholas Longworth has denied the story that in a speech at Rock Island, Ill., he proposed that after Judge Taft had served two terms as President, President Roosevelt would again be a candidate.

President Roosevelt told Senator Hemenway that he did not consider it necessary for him to make speeches in support of Mr. Taft. The President said he had received numerous requests to go on the stump, but he had decided not to accede to them.

The speaking itinerary of Congressman Harvey Helm is as follows: Shelby county, Friday and Saturday, October 9 and 10. Jessamine county, October 13, 14 and 15. Mercer county, October 16 and 17. Madison county, October 19, 20 and 21. Boyle county, October 22, 23 and 24. Garrard county, October 26, 27 and 28.

## Saved His Boy's Life.

"My three year old boy was badly constipated, had a high fever and was in an awful condition. I gave him two doses of Foley's Orino Laxative and the next morning the fever was gone and he was entirely well. Foley's Orino Laxative saved his life." A. Wolkush, Cashier, Wls. New Stanford Drug Co.

John W. Richardson, a young farmer living in the Lambert's Point section of Virginia, shot and killed his sister-in-law, Miss Josephine Cromwell; his father-in-law, Beverly Cromwell, and committed suicide after he had killed his father-in-law's horse.

POSTMASTER 33 YEARS.—Mr. W. H. Cummins, postmaster at Preachersville, has been handing mail out at that village for 33 years. He got his appointment in 1874 and he has kept the office since with the exception of about 15 months. During this short period a competitor in the goods business kept the office but the patrons were so partial to Mr. Cummins that the postmaster resigned and Mr. Cummins stepped back into harness. "Who do you want for your postmaster when Bryan gets in?" we asked of a democratic patron of the office. "Billy Cummins is good enough for us; we don't want another change," he answered.
